

Strange Fire

Indigo Girls

I come to you with strange fire
I make an offer - ing

of love The incense of my soul is burned By the

fire in my blood I come with a softer an - swer To the

questions that lie in your path I want to harbor you from the an-

- ger Find a refuge from the wrath This is a mes-

- sage A message of love Love that moves from the

in - side out Love that never grows tired I come to you

with strange fire Fire

VERSE 2:

Mercenaries of the shrine
Now who are you to speak for god
With haughty eyes and lying tongues
And hands that shed innocent blood
Now who delivered you the power
To interpret calvary
You gamble away our freedom
To gain your own authority

BRIDGE:

Find another state of mind
You know it's time we all learned
To grab hold
Strange fire burns
With the motion of love
Fire
Fire

VERSE 3:

When you learn to love yourself
You will dissolve all the stones that are cast
Now you will learn to burn the icing sky
To melt the waxen mask
I said to have the gift of true release
This is a peace that will take you higher
Oh I come to you with my offering
I bring you strange fire

BRIDGE:

This is a message
A message of love
Love that moves from the inside out
Love that never grows tired
I come to you with strange fire
Fire
Fire
I come to you with strange fire
